

YOUR PCS PET CHECKLIST

Your pets are a big part of your family—and keeping them safe during a military move takes a little extra planning.

MOVING OVERSEAS? PLAN AHEAD

Moving with a pet can add another layer of complexity to your plans, especially if you're moving overseas.

START EARLY

Advance planning is a key step to helping you and your pet have a safe, smooth move.

BEFORE YOU MOVE, REMEMBER TO:

Check destination pet requirements

Update vaccinations & Obtain health certificates

Arrange transportation

Pack pet essentials
